## EXHIBITON

# INTRODUCTION

The Viet Nam International Defence Expo 2026 marks the third edition, hosted by the Ministry of National Defence of Viet Nam, aims to share achievements and showcase technological advancements in weaponry and equipment. The Expo serves as a platform to foster extensive cooperation in the defence industry between Viet Nam and global partners. The Expo offers a premier opportunity for global defence companies to connect directly with high-level delegations, managing authorities, and end-users from both Viet Nam and the international community.

## STATISTICS

International Delegations

**1.000+**

Bilateral meetings

**20+**

Seminars

## KEY ACTIVITIES

#1

### PRODUCT AND TECHNOLOGY DISPLAY

A premier platform for companies to showcase advanced defence and security products, technologies, and solutions to the armed forces of Viet Nam and the regions.

#2

### SPECIALIZED TECHNICAL SEMINAR

A place where manufacturers showcase solutions, discuss technical challenges, and collaborate with end users.

# EXHIBIT PRODUCTS

#3

## BUSINESS NETWORKING

Networking activities aim to establish joint development partnerships, linking manufacturers and suppliers with defence agencies and military trade.

### AIR DEFENCE – AIR FORCE SYSTEM & EQUIPMENT

- Fighter Aircraft
- Helicopters
- Training Aircraft
- RPVs, Drone Systems
- Air-to-air missiles
- Surface-to-air missiles
- Man-portable surface-to-air missile system
- Surface-to-air artillery, missile system
- Others

### NAVAL SYSTEM & EQUIPMENT

- Submarine
- Surface combat vessels
- Supporting ships
- USV and UUV
- Reconnaissance equipment, sub-surface surveillance, sonar
- Naval air defence guns & missiles
- Torpedo
- Naval mines
- Sea-to-surface missiles
- Others

### GROUND FORCES SYSTEM & EQUIPMENT

- Infantry Weapons
- Ammunitions
- Surveillance equipment, day & night optical equipment
- Field artillery
- Self-propelled artillery
- Multiple launch rocket system (MLRS)
- Anti-aircraft artillery
- Surface-to-surface missiles
- Anti-tank missiles

- Tanks
- Armoured vehicles
- Armoured personnel vehicles
- Military transporters
- Armored engineering vehicles
- Others

### PUBLIC SECURITY SYSTEM & EQUIPMENT

- Biometrics
- Border Security & Control
- Civil Defence Systems & Equipment
- Customs & Immigration
- Counter Terrorism & Internal State Security System
- Disaster Rescue & Relief System, Equipment & Services
- Law Enforcement
- Non-Lethal Weapons
- Optics & Optronics
- Protective Gears & Equipment
- Safety, Survival & Rescue System
- Cybercrime Prevention System
- Others.

### HIGH-TECHNOLOGY SYSTEMS & OTHER AREAS

- AI-Powered Warfare Solutions
- Supersonic and hypersonic missiles
- Drones & UAVs, Autonomous systems
- Next-Generation Combat Vehicles
- Advanced Radar & Sensor Systems
- Cyber & Electronic Warfare Platforms
- C5I systems
- Training and simulation systems
- CBRN protection Systems and Equipment
- Surveillance and fire-control radar
- Logistics Equipment
- Apparels, soldier protection equipment.

## MARKET INSIGHTS

Viet Nam's National Defence is invested in alignment with the country's socio-economic growth, meeting the requirements of strengthening defence potential for national protection without engaging in an arms race. Annual defence spending consistently remains above 2% of Viet Nam's GDP.

(Source: The 2019 Viet Nam National Defence White Paper).

The defence industry is focused on development based on the principles of self-reliance, self-resilience, dual-use, and modernization while actively promoting international cooperation in research and manufacturing, and diversifying cooperation in the procurement of weapons and military equipment to implement the policy of building a modern Viet Nam People's Army by 2030.

## ADVERTISING SERVICE PACKAGE

To assist companies in optimizing brand promotion opportunities across the Expo's platforms, the Organising Committee has developed various appealing advertising packages tailored to the specific needs of your businesses. Please contact the Expo Secretariat for further details.
